The directors present their report and the financial statements for the year ended 31 March 2020.

Management Committee

The directors who held office during the year were as follows:

Stephen Leslie Amphlett - Company secretary and director

Ann Harding

James Alexander Tod

Giles Richard Bowring

Principal activity

The principal activity of the company is environmental and ecological production of electricity

Business Review

Cash in our Current Account at 31st March 2020 was £15,266.15. In addition, we have £6,614.69 deposited in an interest-bearing Charity Bank Debt Reserve Account. It is a requirement of the Charity Bank that, as funds allow, we build this deposit to £13,000 before we are permitted to award any interest payments to shareholders or grants to community projects.

Generation for 2019/20 was 109,798kWh bringing the total generated since commissioning in 2010 to 846,498kWh. No generation was lost during the year to mechanical breakdown.

Output continues to be compromised by the ongoing problem of the upstream shoal of boulders which is reducing the flow of water through the hydro and fish pass at low river levels. We have a permit from the Environment

Agency to remove the boulders but the local angling club which control access to the river where the shoal has formed, continue to refuse to grant permission to do the work.

The temporary repair to the weir boards, undertaken in 2018/19, has held firm. However, a permanent repair is needed to both reduce the risk of future failure and to fully restore the upstream river level to enable us to maximise generation. The directors are proposing to launch a crowdfunding campaign in June 2020 to raise funds for a permanent repair which will be done with assistance from the owners of Bridge End Mill and weir.

Small companies provision statement

This report has been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

**Chartered Accountants' Report to the Board of Directors on the Preparation of the
Unaudited Statutory Accounts of
Settle Hydro Limited
for the Year Ended 31 March 2020**

In accordance with the engagement letter dated 1st December 2010 and in order to assist you to fulfil your duties under the Industrial and Provident Societies Act 1965 and the Friendly and Industrial Provident Societies Act 1968, we have compiled the financial statement of Settle Hydro Limited which comprise of the Income and Expenditure Accounts, the Balance sheet and the related notes for Settle Hydro Limited for the year ended 31 March 2017 set out in pages 5 to 11 from the accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at <http://www.icaew.com/en/members/regulations-standards-and-guidance/> .

This report is made solely to the Board of Directors of Settle Hydro Limited, as a body, in accordance with the terms of our engagement letter dated 1 December 2010. Our work has been undertaken solely to prepare for your approval the accounts of Settle Hydro Limited and state those matters that we have agreed to state to the Board of Directors of Settle Hydro Limited, as a body, in this report in accordance with ICAEW Technical Release 07/16 AAF. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Settle Hydro Limited and its Board of Directors as a body for our work or for this report.

It is your duty to ensure that Settle Hydro Limited has kept adequate accounting records and to prepare statutory accounts that give a true and fair view of the assets, liabilities, financial position and profit of Settle Hydro Limited. You consider that Settle Hydro Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the accounts of Settle Hydro Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory accounts.

For the financial year ending 31 March 2020 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

These financial statements have been delivered in accordance with the provisions applicable to companies subject to the small companies regime and the option not to file the Profit and Loss Account has been taken.

Approved and authorised by the Board on and signed on its behalf by:

Settle Hydro Limited

Notes to the Unaudited Financial Statements for the Year Ended 31 March 2020

1 General information

Settle Hydro Limited is a Industrial and Provident Society registered in England and Wales.

The address of its registered office is:

2 Grove Park Gardens

Settle

North Yorkshire

BD24 9QS

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;

it is probable that future economic benefits will flow to the entity;

and specific criteria have been met for each of the company's activities.

Tangible assets

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Asset class	Depreciation method and rate
Other equipment	5% Straight line
Screw with trough	1% Straight line
Sluice gate with hydraulics	4% Straight line

Settle Hydro Limited

Notes to the Unaudited Financial Statements for the Year Ended 31 March 2020

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

The company is controlled by its 194 members overall. No one private individual holds more than 5% of the shares. Key funds Yorkshire holds 11% of the shares, however each shareholder only holds one voting right each, regardless of the amount of shares held in accordance with society rules.
