

CALLING ALL

ARTISTS

As Settle Hydro celebrates its 10th birthday, artists are invited to submit a piece of artwork celebrating its first decade. The winning piece, subject to planning permission, will be reproduced and installed outdoors as permanent artwork at the site. It will also be used across Settle Hydro's website and social media pages, with credit to the winning artist.

All the entries will be displayed at an Open Day at the Hydro and an autumn exhibition about the Hydro at The Folly and the winning artist will be given a membership share of Settle Hydro Ltd (worth £250).

Competition closes 11th September.
